FOREWORD

In accordance with the provisions of the Medical Practice Act of June 3, 1911, P. L. 639, as amended, Section 7, paragraph (c), the Department of Public Instruction, in co-operation with the State Board of Medical Education and Licensure has made an effort to register all licensed practitioners of medicine and surgery in the State for the year 1955.

Although efforts have been made to insure that this list be complete as of October 26, 1955, the Board cannot assume responsibility or liability in the event of omissions or errors.

It is hoped that each licensed and registered doctor of medicine will aid the Board in perfecting the list and also in spreading information relative to legalized practitioners. This knowledge by the citizens of the Commonwealth will tend to prevent serious consequences resulting from the activities of illegal practitioners of medicine. Public announcement in each community of the names of its legal practitioners should be considered as a safeguard to the public.

A handwritten signature in dark ink, appearing to read "Ralph A. Swan". The signature is fluid and cursive, with a long horizontal stroke at the end.

Acting Superintendent of Public Instruction
